Creative Skills: Visual Storytelling, Digital Content Creation, Creative Design, Social Media Content, Multimedia Production, Post-Production Workflow

Soft Skills: Creativity, Attention to Detail, Time Management, Collaboration, Adaptability, Communication, Problem-Solving

PROJECTS / PORTFOLIO WORK

VFX Compositing & Rotoscoping Demo Reel

- Executed rotoscoping and object tracking on live-action footage to isolate subjects and integrate visual effects, demonstrating core VFX compositing techniques.
- Applied green screen keying and color grading to composite multi-layer shots into a cohesive final sequence.

Motion Graphics Explainer Video

- Designed and animated a 60-90 second explainer video using After Effects, combining typography, keyframe animation, and brand-style visuals.
- Storyboarded the concept end-to-end and produced final render for social media distribution.

Brand Identity & Social Media Content Reel

- Created a short-form vertical video series (Reels/Shorts) showcasing motion graphics, typography animation, and brand identity design principles.
- Optimized content formatting and pacing for social media engagement.
- 3D Object Animation Short**
- Modelled and animated a 3D object/character sequence in Autodesk Maya, applying keyframing and rendering techniques to produce a short animated clip.

Short Film VFX Breakdown

- Produced a before/after VFX breakdown video demonstrating compositing, tracking, and color grading skills applied to a short film scene.

TRAINING & PRACTICAL EXPERIENCE

VFX & Animation Program — Trainee | ARENA Animation, Mumbai | 2023 - Present

- Completing hands-on training in animation principles, visual effects, and video editing using industry-standard Adobe and Autodesk tools.
- Practiced rotoscoping, object tracking, compositing, and motion graphics through studio assignments and guided projects.
